

# Unlock the hidden value in your land

## Link Property Solutions are urgently seeking land for residential development

- large side/rear gardens
- undeveloped land
- large properties suitable for division
- redundant commercial land/buildings
- commercial property in residential areas
- petrol stations
- garage/showroom
- public houses/car parks
- storage yards
- hotels, nursing homes
- garden centres
- site assembly of a number of adjoining gardens

All ideally without existing planning consent for new development.

If you think your property has development potential please contact us.
